# 1st GlobalStars-Singapore Call showed strong interest from Singapore SMEs and overseas entities to collaborate on R&D projects

- Inaugural EUREKA GlobalStars-Singapore Call was the **most successful EUREKA GlobalStars Call in terms of number of projects funded**, out of 7 previous calls

| Country | Approved |
|---------|----------|
| Belgium | 3 |
| Denmark | 2 |
| Netherlands | 6* |
| Spain | 2 |
| UK | 5* |
| **Total** | **17*** |

* One of the projects is a trilateral SG-NL-UK Project

# To build on the momentum of the first call, we have taken steps to strengthen our partnership with EUREKA

- Launched the 2nd EUREKA GlobalStars-Singapore Call on 8 June, and it will close on 15 October. 2nd Call involves 14 EUREKA partner countries and Singapore.

- Participated in the EUREKA AI Call as a 'third country', since we are not formally part of EUREKA yet.

- Formally submitted Singapore's application to join EUREKA as an Associate Member.
  - Singapore will likely join as an Associate Member in 2021
  - Thereafter, we will look to joining more EUREKA Cluster calls
