CREA·IDEA·LAB  
Workshop for Business Ideas

## Main benefit

Improving the life of 40 families living in unhealthy buildings.

## The added value

First time demonstration of a totally connected neighbourhood with a minimum energy consumption and a digital framework for employment creation using circular economy principals.

## Why should I participate in the project?

The project is great opportunity to show the last in connectivity under the concepts of smart homes and smart infrastructures.

## A workshop for business ideas

- Defining a smart cities strategies in Sabadell in the framework of the EU HORIZON 2020 Triangulum project
- Deploying an infrastructure for smart tourism in Calonge under the program Catalonia Smart Region
