PRODİS **TEYDEB**

TEYDEB Destek Programlarına Ar-Ge Proje Başvurusu Nasıl Yapılır?

→ Araştırma geliştirme ve yenilik özellikleri olan bir fikriniz için TEYDEB desteklerinden faydalanmak istiyorsunuz.

→ Bu fikri önce masa başında kağıt üzerinde projelendiriniz. TÜBİTAK online başvuru sistemi (PRODİS) proje oluşturmak ve yönetmek için değil önceden hazırlanmış bir projeyi TÜBİTAK'a sunmak için kullanılmaktadır.

→ Proje öneriniz için ilgili destek programlarından en uygun olanı seçiniz.

→ Proje önerisinde olması istenen bilgilerin tamamını görebilmek için boş proje başvuru dokümanına göz atabilir, bu belgeden faydalanarak bilgisayarda yazım denetiminden geçirek hazırladığınız metinleri PRODİS'e girdiğinizde kes-yapıştır yöntemiyle ilgili alanlara taşıyabilirsiniz.

→ Artık ekranın sağındaki alandan PRODİS'e giriş yaparak başvuru sürecinde tanımlanan biçimde projenizi sisteme aktarabilirsiniz.

Application and Evaluation Process

Evaluation:

The support decision of the project proposal is taken by the TEYDEB Group Executive Committee, taking into account the independent expert reports. The evaluation of the projects is carried out according to the criteria in 3 dimensions.

1. Dimension

- Industrial R&D content of the project, its innovation level and technological merit

2. Dimension

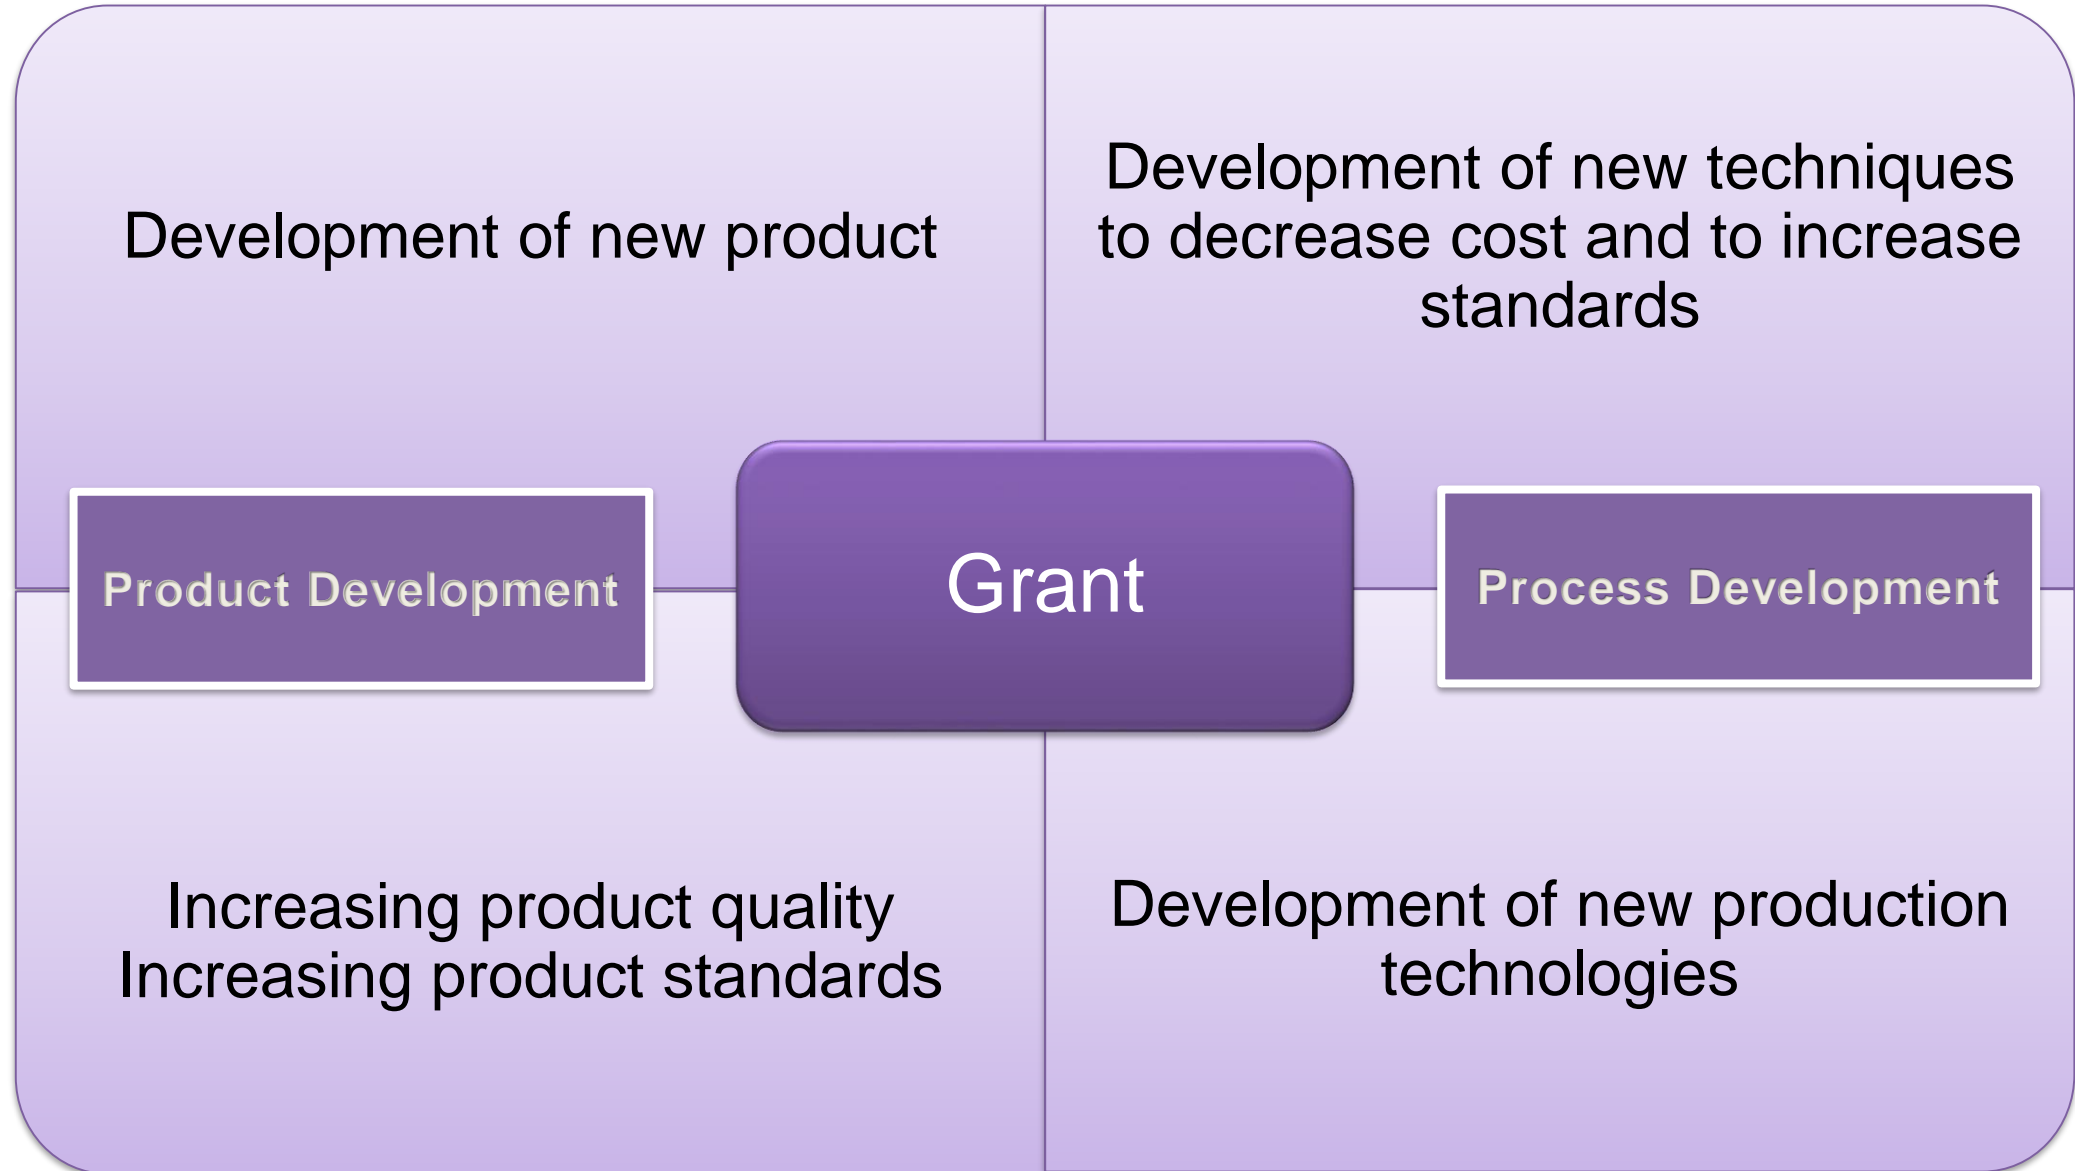

- Relevance of project plan with planned activities and the technical and managerial capability of the firm

3. Dimension

- Economic potential of the final outcome and its contribution to national economy

Which projects?

- Conceptual development
- Technological/technical and economic feasibility studies
- Laboratory studies to be conducted in the process of transition from conceptual development to design
- Design and design verification studies
- Prototype production
- Establishment of pilot plant
- Test run

- Personnel cost
- Travel expenditures of personnel and consultants
- Expenditures for instruments, equipment, computer software that would be used for R&D purposes
- Direct expenditures for materials etc.
- Expenditures for consultancy services and other services need for R&D work
- Expenditures for R&D that was conducted by universities, public & private research organizations

EUREKA Ulusal Koordinasyon Ofisi

Kısaca EUREKA...

EUREKA, Avrupa için pazar odaklı, kısa sürede ticarileşebilecek, uluslararası işbirliği projelerinin desteklendiği bir platformdur.
