Call Scope & Guidelines

Contact your Public Authority to Check Priority Areas

<https://www.eurekanetwork.org/eureka-countries>

Full guidelines will be available when the call launches

Submitting a Project

A New Shared Submission Portal

- Submissions will be based on a single step process
- It is essential for each partner to contact their supporting Public Authority at the earliest opportunity to verify eligibility
- Projects will normally have a 3 year term (could be shorter)
- Project information will be entered via a single common submission system
- Call guidance will be available on the website
- Call submission support will be provided
- Funding rates/rules of participation are subject to National policy

Call Timeline

National Funding processes will run in parallel with project submission and evaluation

Supporting Events and Tools in Preparation

Broadening Your Network

- Opportunities to engage with potential partners at events
- Country/Call webinars
- Cluster networking support
