

IPad to be won at Celtic-Plus Event (Prize: iPad 9.7)

Selection of the Winner of the iPad 9.7 in Keynote sessions on Thursday afternoon:

The quiz will test your skill at recognising these Key Messages: In each of the three Keynote presentations there will be one Key Message that you should capture. To enter your answers you just follow the [quiz link](#) from the Barcelona Celtic-Plus Event Page. Answers must be submitted via the Web page before 15h30. The winner will be announced at the “Best of Celtic-Plus Projects” session in the late afternoon. At this moment the winner must be present in the meeting room to win the prize.

Details on the selection process of the Winner: These answers will be submitted to a multiple choice questionnaire on your Web based device. Submission will be possible until 15h30. A number will be assigned to the name of each participant having all three correct answers. In the Prize Draw Session one of these numbers will be drawn from the urn and the winner of the iPad will be announced. At this moment the winner must be present in the room; if he is not in the room the drawing process is repeated.

Who can participate: The Quiz is open to participants of the Celtic-Plus Event. Organizers from the EUREKA Innovation Week (including Celtic-Plus staff) are excluded to participate in the quiz.
