

INTER-EUREKA programme

- Support of international R&D cooperation within the cluster using the criteria of the Eureka network
- The aim is to connect enterprises of all sizes with enterprises/research organizations/universities of Eureka countries
- Thematic proposals come from below (bottom-up principle) respecting specification of the cluster office

Eligibility of the applicant in INTER-EUREKA

- Eligible applicant may be a small, medium or large company based in the Czech Republic, which is engaged in R&D activities
- Another participant in the project may be an enterprise/research organization/university (with R&D activities, based in the CR)
- A mandatory condition is that the applicant proves involvement in the cluster project – by Cluster label

Financing conditions in INTER-EUREKA

- The intensity of national support for applicant can reach up to 80 % of eligible costs, depending on the proposed research category (industrial research, experimental development), the type of organization (small, medium or large enterprise) and other applied criteria
- The intensity of support for another participant in the project can reach up to 25-100 % of eligible costs, depending on the proposed research category and the type of organization
- Financial limit of national fundings:
 - 3 mil. CZK/project/year/1 Czech applicant
 - 4 mil CZK/project/year/more Czech applicants

How to apply in INTER-EUREKA

1)

- Consortium Project Proposal (PO/FPP) – apply to cluster call (in English), using the cluster platform
- Evaluation done by cluster experts
- In case of positive result, the project gets Cluster label

2)

- „National“ Project Proposal – apply to INTER-EUREKA call (in Czech)
- Successful FPP and Cluster label is a mandatory annex to the proposal
- Formal evaluation by MEYS (eligibility, completeness of documentation, etc.)
- The expert advisory body of MEYS takes over the evaluation results processed by the cluster and makes the final ranking list
- The MEYS signs a contract with the successful applicant to provide public funding
