Peer-to-peer Car Sharing Platform ibiola® mobility

Robert Reithofer
r.reithofer@ibiola-mobility.com

Peer-to-peer Carsharing platform –
we want to go international and
are looking for partners

ibiola® is the perfect solution for
corporate Carsharing as well as
for regional projects for residential
areas and communities.

Proposal Introduction (1)

We are convinced that by sharing vehicles resources can be used in a more efficient way.

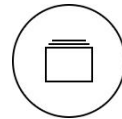

The goal is a more efficient use of car fleets taking into account economical, ecological and social aspects.

We present a new cloud based solution that enables a new way of Corporate Carsharing and fleet management.
