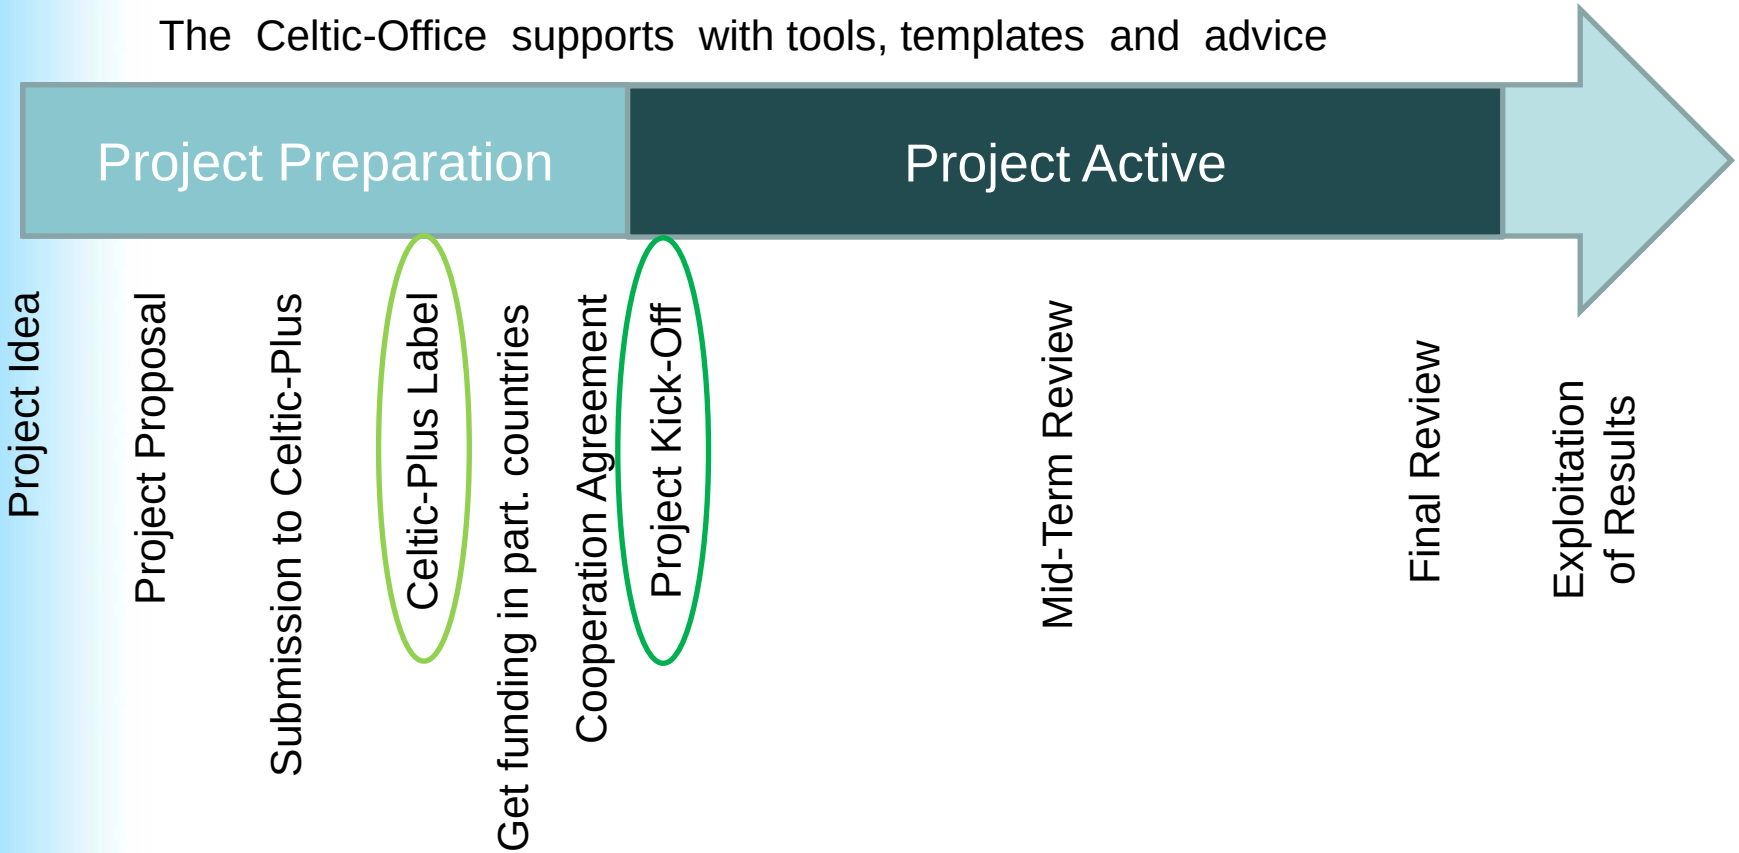
- Labelled Projects are informed by the Celtic Office about the Set up Process.
- Rejected Proposals receive feedback how they could be improved.

Project Live Cycle



Project Set Up Process

The Set Up process starts with labelling of the Celtic Project

- In EUREKA projects the funding is granted by ministries of the participating countries.
- Projects usually start when mandatory partners have green light for funding.
- The Celtic Office organises monthly phone contacts to help projects to conclude this critical phase.
- In the last years a success rate for running projects between 60 and 70 % has been achieved.
