The screenshot shows the TÜBİTAK TEYDEB website interface. At the top, there is a header with the TÜBİTAK logo and the text "TÜBİTAK TEYDEB" and "TÜBİTAK Teknoloji ve Yenilik Destek Programları Başkanlığı". Below the header, there is a section titled "Önemli Duyurular" (Important Announcements) with a list of dates and topics: 11.06.2020 COVID-19 Salgını Nedeniyle TEYDEB Projelerine 3 Ay Ek Süre Devamı, 31.03.2020 Değerlendirme Ücret Tablosu ve Uygulanacak Kurallar Devamı, 23.03.2020 Hakem ve İzleyici Video Konferans Duyurusu Devamı, and 23.03.2020 Rapor gönderim tarihleri 3 ay ertelendi Devamı. Below this, there are two tabs: "PRODİS" and "TEYDEB". The "PRODİS" tab is selected, and the main content area is titled "TEYDEB Destek Programlarına Ar-Ge Proje Başvurusu Nasıl Yapılır?". The content includes four steps: 1. Araştırma geliştirme ve yenilik özellikleri olan bir fikriniz için TEYDEB desteklerinden faydalanmak istiyorsunuz. 2. Bu fikri önce masa başında kağıt üzerinde projelendiriniz. TÜBİTAK online başvuru sistemi (PRODİS) proje oluşturmak ve yönetmek için değil önceden hazırlanmış bir projeyi TÜBİTAK'a sunmak için kullanılmalıdır. 3. Proje önerinizin ilgili destek programlarından en uygun olanı seçiniz. 4. Proje önerisinde olması istenen bilgilerin tamamını görebilmek için boş proje başvuru dokümanına göz atabilir, bu belgeden faydalanarak bilgisayarda yazım denetiminden geçerek hazırladığınız metinleri PRODİS'e girdiğinizde kes-yapıştır yöntemiyle ilgili alanlara taşıyabilirsiniz. 5. Artık ekranın sağındaki alandan PRODİS'e giriş yaparak başvuru sürecinde tanımlanan biçimde projenizi sisteme aktarabilirsiniz. On the right side, there is a vertical menu with icons and text: "PRODİS Giriş", "Yeni Kullanıcı Kaydı", "Gerekli Yazılımlar", "Sıkça Sorulan Sorular", "Elektronik İmza", and "Mobil İmza".

Who Can Apply?

Characteristic and Funding Outlook

All fund is
given as
grants

Large
Companies:
%60
SMEs: %75

*Up to 25% of the project
budget in advance

No **budget**
limit

No limit
for
duration

Executive Committee**

Funding Decision

Label !!

**In
6
weeks**

Evaluation Aspect

Evaluation:

The support decision of the project proposal is taken by the TEYDEB Group Executive Committee, taking into account the independent expert reports.

The evaluation of the projects is carried out according to the criteria in 4 dimensions.

1. Dimention

- **Industrial R&D content of the project, its innovation level and technological merit**

2. Dimention

- **Relevance of project plan with planned activities and the technical and managerial capability of the firm**

3. Dimention

- **Economic potential of the final outcome and its contribution to national economy**

4. Dimention

- **International characteristic of the project**

Eligible Costs

- Personnel cost
- Travel expenditures of personnel and consultants
- Expenditures for instruments, equipment, computer software that would be used for R&D purposes
- Direct expenditures for materials etc.
- Expenditures for consultancy services and other services need for R&D work
- Expenditures for R&D that was conducted by universities, public & private research organizations
